
SUPREME PRIVACY

Board Risk Committee report

Elite Claims

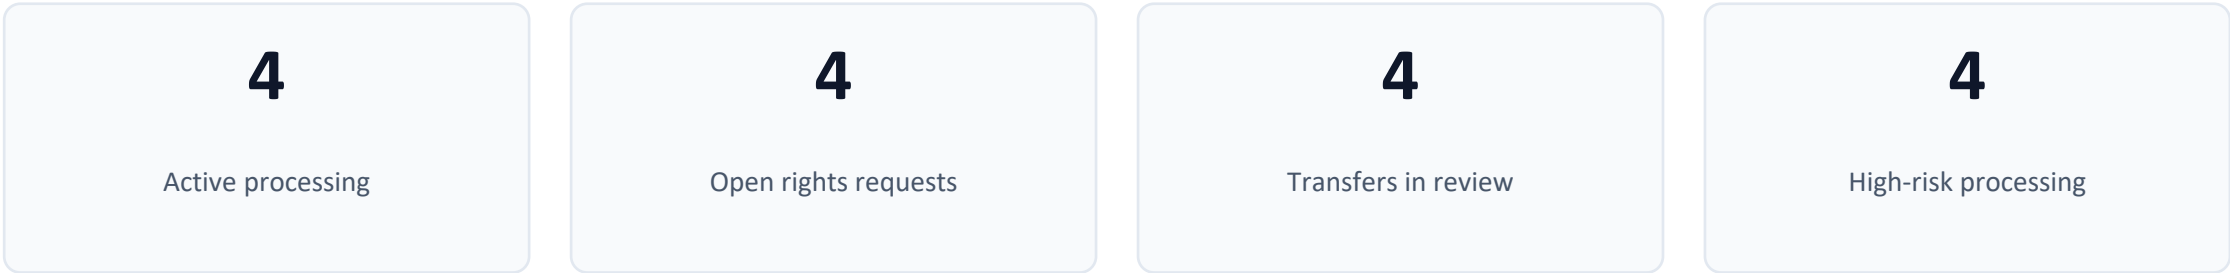

2026-09-13 · Live tenant records only · No trend available

Prepared for CPO, DPO, General Counsel, CISO, CRO, and the Board Risk Committee.

Recorded operations are not a finding that processing is lawful. Not legal advice.

Privacy posture at a glance

Recorded operations, not a finding that processing is lawful.

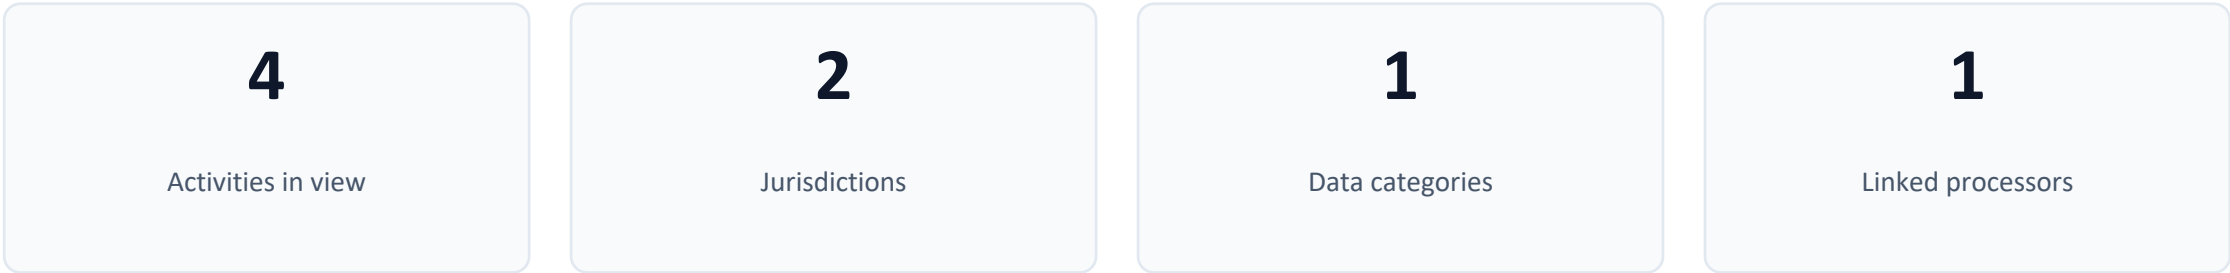

No trend available. Supreme does not invent arrows when history is insufficient.

Processing and data footprint

Where personal data is recorded to be processed.

PA-00001 Claims servicing · Active · US-NY, IE

PA-00002 Claims servicing · Active · US-NY, IE

PA-00003 Claims servicing · Active · US-NY, IE

PA-00004 Claims servicing · Active · US-NY, IE

Highest privacy risks

Linked Supreme Risk records only. No invented residual scores.

International transfer posture

A recorded mechanism is not a finding that a transfer is lawful.

4 Transfers recorded	4 Review required	4 Mechanism recorded	None Lawfulness claimed
--	---	--	---

XFR-00001 US-NY to IE · Scc · Review Required

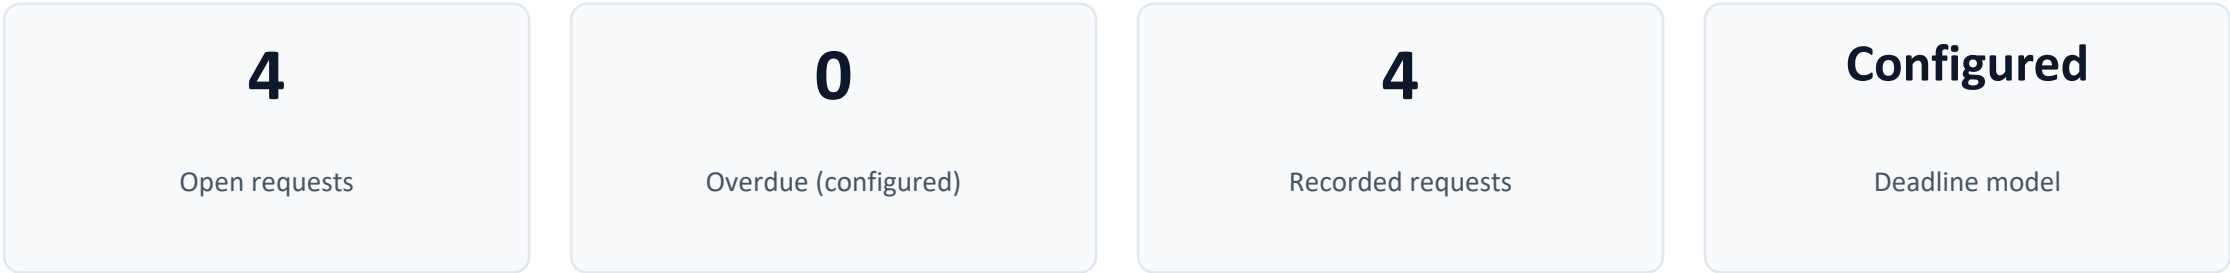

XFR-00002 US-NY to IE · Scc · Review Required

XFR-00003 US-NY to IE · Scc · Review Required

XFR-00004 US-NY to IE · Scc · Review Required

Rights-request posture

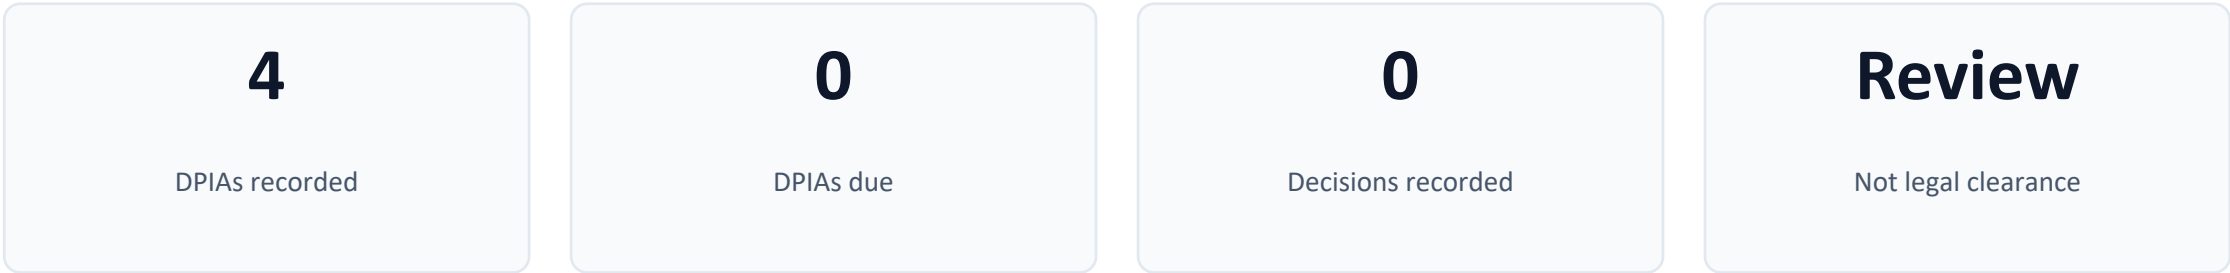

Requester identity is withheld from this board view.

- DSR-00001 Access · Received · configured due 2026-10-13
- DSR-00002 Access · Received · configured due 2026-10-13
- DSR-00003 Access · Received · configured due 2026-10-13
- DSR-00004 Access · Received · configured due 2026-10-13

DPIA / assessment posture

Screening recommends review. It does not say a DPIA is legally required.

Evidence / control health

CLEAN presence is not proof. Shared #14 evidence is reused.

GAP-00001 Open privacy-related gap: GAP-00001 500.07 is mapped to controls that are not implemented. A gap is remaining work, not a legal conclusion.

GAP-00003 Open privacy-related gap: GAP-00003 A.15 is mapped to controls that are not implemented. A gap is remaining work, not a legal conclusion.

GAP-00002 Open privacy-related gap: GAP-00002 500.07 has no current CLEAN evidence. A gap is remaining work, not a legal conclusion.

GAP-00004 Open privacy-related gap: GAP-00004 A.15 has no current CLEAN evidence. A gap is remaining work, not a legal conclusion.

Key decisions required

Human-authoritative. Supreme does not issue legal conclusions.

XFR-00001 Transfer requiring review — XFR-00001 US-NY → IE is recorded as review required. This is not a lawfulness finding.

XFR-00002 Transfer requiring review — XFR-00002 US-NY → IE is recorded as review required. This is not a lawfulness finding.

XFR-00003 Transfer requiring review — XFR-00003 US-NY → IE is recorded as review required. This is not a lawfulness finding.

XFR-00004 Transfer requiring review — XFR-00004 US-NY → IE is recorded as review required. This is not a lawfulness finding.

GAP-00001 Open privacy-related gap — GAP-00001 500.07 is mapped to controls that are not implemented. A gap is remaining work, not a legal conclusion.

GAP-00003 Open privacy-related gap — GAP-00003 A.15 is mapped to controls that are not implemented. A gap is remaining work, not a legal conclusion.

Key decisions required · continued

Human-authoritative. Supreme does not issue legal conclusions.

GAP-00002 Open privacy-related gap — GAP-00002 500.07 has no current CLEAN evidence. A gap is remaining work, not a legal conclusion.

GAP-00004 Open privacy-related gap — GAP-00004 A.15 has no current CLEAN evidence. A gap is remaining work, not a legal conclusion.
