

ROPA / Processing Activities

Live tenant privacy-operations records. A recorded basis is not a finding that processing is lawful.

Elite Claims · Report date 2026-09-13 · SR-PRV-20260913 · Generated 2026-09-13 21:11 UTC

Honesty

A recorded legal basis is not a finding that processing is lawful. A DPIA is not a claim that GDPR is satisfied. A configured deadline is not legal advice. A closed deletion task is not proof the data is gone. Consent collection is not configured unless a real collector exists.

Processing activities

ACTIVITY	NAME	STATUS	OWNER
PA-00001	Claims servicing	Active	Report Proof
PA-00002	Claims servicing	Active	Report Proof

that GDPR is satisfied. A configured
deadline is not legal advice. A closed
deletion task is not proof the data is gone.
