

Control Attestation Report

Live tenant compliance-program records. Readiness is not certification or a claim of compliance.

Elite Claims · Report date 2026-09-13 · SR-CMP-20260913 · Generated 2026-09-13 20:18 UTC

Honesty

Readiness and coverage are not certification, attestation, or a claim that this organization is compliant. Not applicable is not pass. Evidence presence is not pass. An attestation is not a control test. An exception does not make a control effective. Residual risk does not change unless Supreme Risk recalculates it.

Attestation campaigns

- CAM-00001 Hosted Q4 control attestation — In progress
- CAM-00002 Hosted Q4 control attestation — In progress
- CAM-00003 Hosted Q4 control attestation — Overdue

Needs attention

- Overdue attestations: Hosted Q4 control attestation passed its due date without closing.
- Overdue attestations: An assigned attestor has not closed this campaign before the due date.

organization is compliant. Not applicable is not pass. Evidence presence is not pass. An attestation is not a control test. An exception does not make a control effective. Residual risk does not change unless Supreme Risk recalculates it. Generated 2026-09-13.
