

Executive Risk Report

Operating view of third-party risk, remediation, and attention items

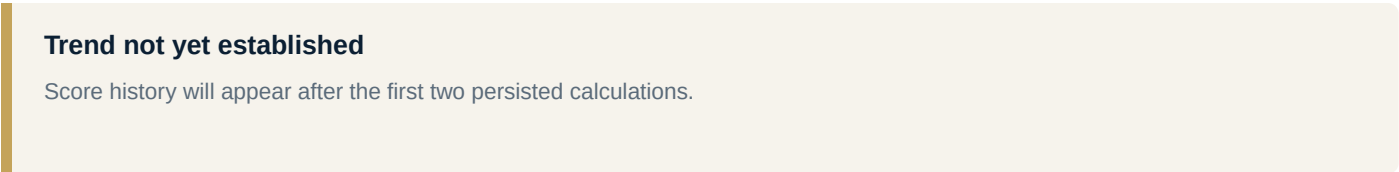

Elite Claims · Report date 2026-09-14 · SR-EXC-20260914 · Generated 2026-09-14 10:32 UTC

Portfolio posture

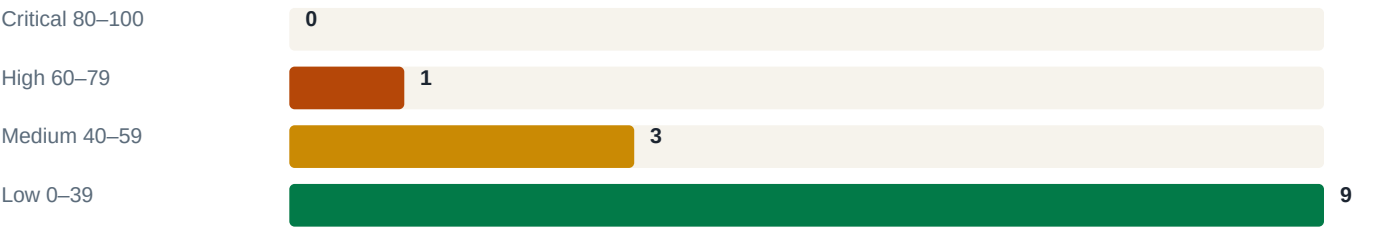

Elite Claims currently manages 13 vendors. Residual risk is insufficient history. This report is operational: it highlights work due this week as well as the vendors that dominate residual risk.

Residual risk trend

Vendor residual distribution

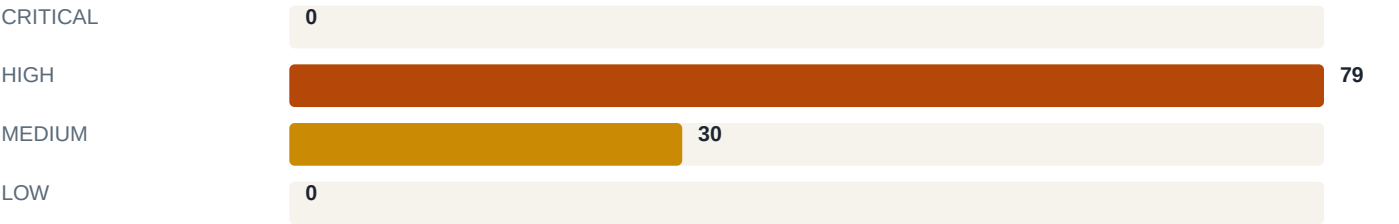

VENDOR	CRITICALITY	INHERENT	RESIDUAL	NEXT REVIEW
Suprew	Critical	93	74	—
