

Framework Readiness

Live tenant compliance-program records. Readiness is not certification or a claim of compliance.

Elite Claims · Report date 2026-09-13 · SR-CMP-20260913 · Generated 2026-09-13 19:49 UTC

Honesty

Readiness and coverage are not certification, attestation, or a claim that this organization is compliant. Not applicable is not pass. Evidence presence is not pass. An attestation is not a control test. An exception does not make a control effective. Residual risk does not change unless Supreme Risk recalculates it.

Framework readiness

FRAMEWORK	MAPPED	IMPLEMENTED	TESTED	EVIDENCE
ISO/IEC 27001 2022-ref	100%	0%	Not calculated	0%
NYDFS cybersecurity requirements 500-ref	100%	0%	Not calculated	0%

Applicable requirements with at least one active mapping ÷ applicable requirements. Not applicable is excluded.

Needs attention

- No attention items from live records.

organization is compliant. Not applicable is not pass. Evidence presence is not pass. An attestation is not a control test. An exception does not make a control effective. Residual risk does not change unless Supreme Risk recalculates it. Generated 2026-09-13.
